

Julie Smyth

Front-End Developer

juliemcsmyth@gmail.com | 248.259.0786 | [linkedin.com/in/juliesmyth](https://www.linkedin.com/in/juliesmyth) | github.com/juliebird

Creative programmer with an attention to detail who excels in finding efficient ways to get the job done. Drawn to front-end development because it affords the opportunity to combine the aesthetics of design and the functionality of a well-made client experience. With a background in front-facing customer service, I am able to work with all types of individuals and enjoy working in a team to create the best possible outcome for every project.
